

**September 12<sup>th</sup> 2018**

**SFCC Brunel Tower Flood Prevention Works**

**Going forward a rough sequence is as follows:**

**All main pads are now poured. Construction works continue regarding some preparation for tarmacing, and then ultimately reinstating the railway fencing beside the slipway.**

**BAM Nuttall may not be able to permit access to SFCC on Saturday 15<sup>th</sup> September, due to tarmacing work right outside the front of SFCC building. 08.30 to 11.00hrs is when they say it will be.**

**BAM Nuttall have also stated that Brunel Slipway will also be closed on Thursday 20<sup>th</sup> - Friday 21<sup>st</sup> September, for the fencing work to be completed.**
