## OUR RIB NEEDS A NAME?

Dear Members, I'm very pleased to be able to tell you that we have after much searching found a RIB suitable for the clubs training needs and to cover many of the duties of our old workboat. The waterside team have everything in place now to start our practical on the water RYA training.

However, our new RIB lacks one vital thing; it does not have a name. We thought we would reach out to our younger members for help with this most vital task. Thus we are going to hold a Name Our RIB competition for our next generation members.
