

## **Brunel Tower Car Park Latest**

**The Club has received notice that works will recommence in the club car park from Monday the 25th of June. At present we do not have a timescale for the works to be completed, but we shall endeavour to get one from the contractors once the work commences.**

**PLEASE NOTE THAT DURING THE WEEK THE CAR PARK WILL BE CLOSED FOR THE DURATION OF THE WORKS. The EA have informed us that they will do everything possible to ensure that the car park is open at weekends, but this cannot be guaranteed.**

**This closure might mean there will be a restriction on accessing dinghies and engines from Brunel Tower storage areas.**
